About the **CONFERENCE**

Adichunchanagiri University and Association of Pharmaceutical Research is privileged to welcome all to the "International Conference on Innovation and Advances in Pharmaceutical Sciences - Current Scenario and Future Perspectives" which is scheduled on 18th and 19th November 2022. The Pharmaceuticals sciences combine broad range of scientific disciplines that are critical to the discovery and development of new drugs and therapies. Pharmaceutical Sciences is a dynamic and interdisciplinary field that aims to integrate fundamental principles of physical and organic chemistry, engineering, biochemistry, and biology to understand how to optimize delivery of drugs to the body and translate this integrated understanding into new and improved therapies against human disease. This strategic conference will provide in-depth presentations and interactive sessions, for the possibility to network with like-minded professionals and discuss how to overcome the current challenges in pharmaceutical product synthesis and product development. The focus of this conference will be on the latest advancements, research and development to introspect the challenges in Pharmaceutical Sciences, Clinical Research and related areas. The main goal of the conference is to deliver an outstanding program which covers the entire spectrum of research & innovations in pharmaceutical sciences.

About the **ASSOCIATION OF PHARMACEUTICAL RESEARCH (APR)**

Association of Pharmaceutical Research is one of the world's leading professional association caring for people. APR is a non-profitable professional association meant for research and development in the field of pharmaceutical science & technology. APR is an international forum for researchers, academicians, doctors and practitioners for sharing knowledge and innovation in the field of pharmaceutical science & technology. APR aims to bring together worldwide researchers and professionals, encourage intellectual development and providing opportunities for networking and collaboration.

About the **UNIVERSITY & COLLEGE**

Established in the year 2018, Adichunchanagiri University is a research-oriented, student-centric, multidisciplinary, not-for-profit state private university. Within a short period of its existence, it has emerged as a nationally renowned higher education university. The University has a host of institutes, departments and centres, including Medicine, Pharmacy, Nursing, Engineering, Management, Commerce and Education. Sri Adichunchanagiri College of Pharmacy, a constituent Institution of Adichunchanagiri University is one of the leading institutions in the country, offering Pharmaceutical Education at the undergraduate, postgraduate and doctoral level.

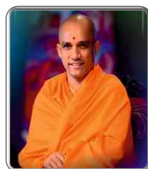

Sri Adichunchanagiri College of Pharmacy was established in the year 1981 and running D. Pharm, B. Pharm, M. Pharm, Pharm-D and Ph.D programs. It is approved by AICTE and PCI, New Delhi. The college operates with a vision to produce globally competent pharmacists with skill, knowledge and attitude, while the institutes' mission is to impart quality education with training to excel in the pharmacy profession.

Major Achievements Of College

- ✦ Institution is NBA accredited (B.Pharm Program) for second cycle.
- ✦ Institution is ISO 9001-2015 certified for second cycle
- ✦ Institution is listed in NIRF rankings of 2019, 2020, 2021 & 2022.
- ✦ Featured in ARIIA rankings-2021 with excellent grade
- ✦ Institution has received grants worth of four crores from different funding agencies like AICTE, VGST, RGUHS, ACU and Pharmaceutical Industries etc.
- ✦ Institution has well established Institution Innovation Council (IIC)
- ✦ Institution has incubation centre named as Adichunchanagiri Center for Entrepreneurs(ACE)

About the Venue

Karnataka is a state in the southwestern region of India that has been home to some of the most powerful empires of ancient and medieval India. Karnataka is best known for its Heritage destinations and its Wildlife/ National Parks. Apart from that, it is also well known for its stunning hill stations, spectacular waterfalls, pilgrimage centres and a 320km long coastline. Thus, making it an ideal place for tourism.

Karnataka, located in the midst of the Western Ghats, the Deccan Plateau, and the Kannad Coast, is home to a variety of forests, beaches, waterfalls, coffee plantations, lakes, and other natural wonders. Karnataka has 25 wildlife sanctuaries and five national parks. Popular among them are Bandipur National Park, Bannerghatta National Park and Nagarhole National Park. Other tourist destination places are Coorg, Badami, Mysore, Hampi, Gokarna, Udupi, Chikmagalur, Jog Falls, Murudeshwar, Dandeli, Kemmanagundi, Pattadakal and so on.

Sessions and Track

Session 1

AI and CADD in drug discovery

- ⊗ Drug Discovery & Screening
- ⊗ Computational approaches in modern drug discovery
- ⊗ Pharmaceutical Research & Development
- ⊗ Novel Developments in Drug Discovery
- ⊗ Development of Unique Bio Markers
- ⊗ Patient-Centred dosage forms based on structure design

Session 2

Drug Delivery systems/Novel drug delivery/Bioavailability & Bioequivalence studies

- ⊗ Novel drug delivery systems
- ⊗ Delivery and Dosage Technologies
- ⊗ Nanotechnology
- ⊗ Peptides and Protein Drug Delivery
- ⊗ Cosmetology
- ⊗ New and emerging drug targets
- ⊗ Pharmaceutical Formulation Technologies
- ⊗ Industrial Pharmacy
- ⊗ Bioavailability & Bioequivalence Studies
- ⊗ Drug absorption, drug distribution

Session 3

Modern Pharmacognosy

- ⊗ Modern Pharmacognosy and phytochemistry
- ⊗ Pharmacognosy and Traditional Medicine

Sessions and Track

Session 4

Modern Pharmaceutical Chemistry

- ⊗ Synthetic chemistry
- ⊗ Bioorganic chemistry
- ⊗ Combinatorial chemistry
- ⊗ Pharmaceutical Analysis and Quality Assurance

Session 6

Modern Pharmacology

- ⊗ Neuropharmacology
- ⊗ Pharmacokinetics and Pharmacodynamics of drugs
- ⊗ Bio drugs, Biomolecules and Therapeutics
- ⊗ Microbiology and Biotechnology

Session 5

Pharmacovigilance and Risk Management

- ⊗ Pharmacovigilance and Drug Safety
- ⊗ Clinical Case Reports
- ⊗ Pharmacogenomics
- ⊗ Pharmacy Business and Market

Session 7

Drug Regulatory Affairs

- ⊗ Drugs and Medical Devices: Regulatory Affairs
- ⊗ Pharmacy Business and Market
- ⊗ Growth Strategies for Pharmaceutical Industries
- ⊗ Start-up opportunities in healthcare setup
