*"Excellence Is the Gradual Result of Always
Striving To Do Better"*

Learned society is indeed a healthy sign of any nation. Society needs the cultured leaders in different aspects of life to educate and guide the common man to lead a disciplined life. The very fundamentals necessary for systematic life are spirituality, sociality, education, health etc.

To produce cultured leaders with above quality parameters Sri Adichunchanagiri Shikshana Trust, is running various institutions with an objective of inculcating insight into the young minds through education which would lead to build a powerful nation and to be a global leader.

In this context Sri Adichunchanagiri College of Pharmacy (SACCP), B G Nagara is excelling best to its aptitude to realize our vision. Indeed SACCP has its own vision and mission to produce competent pharmacist with skill, knowledge and attitude to build health of nation. Developing skilled and competitive pharmacy leaders in health care.

The ever increasing demand for the skillful pharmacy professionals is met by SACCP through its various course of actions viz., learner centered academic and professional activities, inculcating pleasant & admirable attitude, necessary skills and knowledge which would cater the professional needs & expectations of the medical and allied disciplines.

The overall carving of the professional students is accomplished through multiple skill based tasks and providing diverse platforms. One such platform is publication of college magazine **"AOUSHADHAGIRI-Vol VI"** to uncover the masked talents of the students and also to express the expert by the staff of SACCP.

Let SACCP broaden its horizons and acquire new dimensions in the years ahead with the divine blessings of Lord Kalabhyraveswaram and His Holiness Bhairavaikya Jagadguru Padmabhushana Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji and stand top in country.
May God Bless you all

Yours in the Service of the Lord,

(Sri Sri Sri Dr. Nirmalanandanatha Swamiji)

MESSAGE

I am delighted to write this message for the "AOUSHADHAGIRI VOLUME -VI" College Magazine being published by Sri Adichunchanagiri College of Pharmacy, B G Nagara, Mandya District.

On this occasion, I congratulate the Principal, Faculty, staff and students for bringing out "AOUSHADHAGIRI VOLUME -VI" and convey my good wishes and hope that this edition of the college magazine would be meaningful, enjoyable and memorable.

With best wishes.

(Dr. B Suresh)

Dr. T V Narayan, PhD
President, Indian Pharmaceutical Association (IPA)

I am delighted to give this message to the college magazine "**Aoushadhagiri Volume - VI**", which is being released shortly. I am also very happy to note that Sri Adichunchanagiri College of Pharmacy is regularly publishing the college magazine Aoushadhagiri, the sixth issue of which is being brought out. The main objective of this magazine is to publish a compilation of reports on various college activities, achievements of the faculty and students, articles authored by faculty and students along with photographs and advertisements, thereby creating a platform for the students to express their views and ideas and showcase their talents. Writing skills are extremely important to the budding pharmacy professionals and this college magazine will certainly serve as a launching pad for aspiring students to prepare and publish articles reflecting their thoughts and ideas without the fear of getting rejected or receiving negative comments. Students should use these opportunities presented to them to express their thoughts uninhibitedly in the form of informative and thought-provoking articles. Students are also encouraged to take up editing and compiling responsibilities of these college magazines to make them highly interesting, fun to read while being immensely educative. I wish the college, the management, faculty & staff and the students all the best in their future endeavors.

Prof. Dr. S. CHANDRASHEKAR SHETTY

Vice-Chancellor, Adichunchanagiri University

Greetings from Adichunchanagiri University

Sri Adichunchanagiri College of Pharmacy (SACCP) has made rapid strides in Academics and Research activities over the last two decades. It has been recognized as one of the leading Pharmacy Colleges in the state of Karnataka.

I am pleased to note that Sri Adichunchanagiri College of Pharmacy Annual Magazine **“Aoushadhagiri” Vol. VI** is being released shortly.

The Magazine gives a great opportunity for Teachers and Students to exhibit their talents in the field of Curricular and Co-Curricular activities. The Magazine will be a fore runner in kindling the Academic and Research talents of Teachers and Students.

I have great pleasure in wishing the Editorial Board, Staff and Students for their endeavor in bringing out the magazine every year.

Dr. B Ramesh,
Principal

Principal's Message

It gives me an immense pleasure in releasing the next issue of our college magazine **“Aoushadhagiri – Vol VI”**, with the solemn commitment to promote quality education by Adichunchanagiri University which is established with an aspiration and clear vision.

In the family of SACCP, our aim is not only to produce pharmacy graduates, but also to mould an ideal pharmacy professional who can cater to the needs of society and meet the challenging pharmacy profession.

At SACCP the students are expected to have an enriching and life-turning experience that propel them to take advantage of the new opportunities in their career. We foster sharpening of skills and enhancement of knowledge with young dynamic and meritorious faculty, well-furnished and equipped laboratories with modern instruments, excellent library and many more modern facilities.

We concentrate personally on student's moral uprightness, scientific insight and social commitment. The college magazine is an ideal platform to utilize the fore mentioned qualities in student. It is a means to summarize the activities and events conducted in the college as well as for felicitating the students for bringing accolades in various fields.

I congratulate the editorial board, staffs and students for making **“Aoushadhagiri Vol VI”** a platform to reach out to the mass, showcase various views and talents of SACCP family.

With warm wishes.

A handwritten signature in blue ink, appearing to read 'Dr. B. Ramesh'.

Dr. B Ramesh,
Principal

Mr. Chethan I A

A thought has been enduring in mind and when it becomes real, is truly an interesting and exciting experience.

Our latest edition of college magazine **“Aoushadhagiri Vol VI”** is one such cherished work that has its roots in Persuasion. As with the journey we have made tremendous strides to bring you this edition with inspiring and informative articles as intended.

As the saying goes “A single flower doesn’t have the ability to make a garland” this magazine is the immense effort put forward by our beloved Principal, Editorial team, Teachers and Students.

I hereby express my heartfelt gratitude for enduring faith and entrusting the task of putting this wonderful journey through “Aoushadhagiri”.

“Aoushadhagiri” is more than just a magazine where the potentials, talents, achievements and vision of our college get reflected. It is often seen that one of the biggest blocks to creativity can be our mind’s inability to allow a thought or insight to have the space to become a possibility. By allowing creativity to blossom into something beautiful, **“Aoushadagiri”** could be a centre of displaying the fruit of believing in being unique. I truly hope that the pages which follow will make some interesting reading.

A stylized, handwritten signature in black ink, appearing to read 'Chethan'.

DEEKSHA MAITHREE 2018

Report

We celebrated Deeksha-Maithree (Graduation day and Alumni meet 2018) on 10th March at Yuvalaya, BG Nagara. This program was conducted in the divine presence of Sri Sri Sri Dr. Nirmalanadanatha Mahaswamiji. The Chief Guest of the function was Dr. S Eswara Reddy, Drugs Controller General (India) CDSCO, Head Quarters, New Delhi. The invited guest of this function was Dr. S Chandrashekar Shetty, Vice - chancellor, Adichunchanagiri University, BG Nagara. On this day, more than 140 students of various course like B. Pharma, M. Pharma, Pharma. D and D. Pharma of our college graduated and took pharmacist oath. On this special occasion Paramapoojya Guruji inspired the whole crowd by mentioning about the importance of graduation and profession. Dr. Eswara Reddy addressed the gathering by mentioning that students must not graduate for the sake of degree certificate and instead they should be inculcated with human values and professional ethics. On the same day Mr. MVN Kasyap and Mr. Vinay R received the distinguished alumni awards from our Poojya Swamiji. During this whole program Principal Dr. B Ramesh, Staff, students and family members were present.

INTERACTIVE SESSION ON ROLE OF PHARM D/PHARMACY INSTITUTIONS TO JOIN HANDS WITH IPC IN ORDER TO PROMOTE QUALITY AND SAFETY OF MEDICINES

This interactive session was organized by drugs control department Karnataka Bangalore. Around 100 delegates from various colleges including head of the institutions, Departmental Head including drug inspectors attended the programme. The two sessions were presented with a tea break. In the first session the guest speakers gave their key note on importance of the topic. Shri Amresh Tumagi Drugs controller, Karnatak state Bangalore, Dr G Parthasarathi Consultant IPC Gaziabad, Dr GN Singh Secreatry cum scientific director IPC Gaziabad, Dr Jagadish shetty former drug controller ,Dr TV Narayana President IPC Dr V kaliselvian Principal scientific officer were present.

The second session started at 10.40 am with the Audio visual presentation of IPC services. This seminar opens up an insight on material vigilance (MVPI), Pharmacovigilence (PVPI), National formulary of India (NFI), Medicine and Poison information activity importance in academic institutions. Hence IPC (Indian Pharmacopeia commission) is planning for uplifting the pharmacy professional of Pharm D and Pharmacy practice services in association with academic institutions for increasing patient safety.

The attending of this seminar by Principal Dr B. Ramesh & Professor Ramanath K V, Department of Pharmacy Practice enriches them to carry out the various professional activity in these areas.

LEAD PRAYANA :
IT'S NOT THE DESTINATIONS; IT'S THE
JOURNEY THAT COUNTS!

LEAD PRAYANA is an annual leadership journey for 120 youth aged 18-26 hosted separately in the locations of Karnataka (starts from Belagavi) Telangana (starts from Hyderabad) and Uttar Pradesh [starts from Varanasi (Kashi)] selected at national level. The journey of each state meets up for a leadership and cultural exchange and open hub of networking, called "Manthan" (sharing) at Hubballi Karnataka.

With the aim to "unleash the leadership potential", and for a memorable 1800km journey (Uttar Pradesh 5000kms) of lifetime. Two week fun-filled days to meet and hear from more than 10 inspiring role models and speakers, see their extraordinary work, visit more than 8 destinations, take part in panel sessions, explore more than 12 unique organizations, institutions, MNC's and industries and create own groups to share hands-on experiential learning and build entrepreneurial and leadership mindset.

Mr.Prince Gupta was shortlisted based on 3 levels of selection procedure including written, online, telephonic and project based interview. He was also the leader for the health committee based on his medicine background. The journey took him on a route that had Belagavi, Manipal, Dharmasthala, Ujire, Moodubidire, Mangaluru, Mysuru, Bengaluru, Doddaballapur, Kuppam, on its way to Yuva Summit held at Hubballi with stay of a day or two in the each destinations.

International Women's Day

International Women's Day is an occasion to celebrate the progress made towards achieving gender equality and women's empowerment. It is a day to recognize the extraordinary acts of women and to stand together, as a united force.

In this regard Adhichunchanagiri university- Sri Adhichunchanagiri college of pharmacy in collaboration with BGS B.Ed college organised womens day celebration on 8th march 2019 at B.Ed college at Sri Math. On this occasion Sri Prasannanatha Swamiji of ACM & Dr A T Shivaramu delivered talks on women's empowerment. Poojya Swamiji honoured outstanding woman for their successful achievement in agriculture. The students impersonated famous woman achievers and presented Tablow on the theme. "SABALE" & few students delivered the talk on role of women in the modern society.

International womens day was celebrated at our college and as part of the celebration an elocution competition was arranged for students which was witnessed by staffs and students. The theme choosen for the competition was "Need of Women Empowerment in India". Lohitha from second Pharm.D secured the first Prize for the best speech.

National Science Day on 28th February -2019

February 28 was designated as “National Science Day” by Government of India in 1987. Since then this day is celebrated throughout the country with great enthusiasm. As a part of this occasion our college celebrated National Science Day on 28th, February 2019 Yuvalaya. Principal Dr. B. Ramesh, HODs from all Departments, Faculties and students participated. The programme was started with introduction speech followed by video clippings of National Science Day. On this occasion, a motivational and inspirational talk was delivered by Principal and all HODs briefed the gathering about the objectives of celebrating National Science Day and the programme were continued by speech from Pharm D students. Later students and faculties visited a module which was prepared by B. Pharm IV semester students.

SPEECH COMPETITION

Our Students Ms. Zaiba Sherif of 3rd Pharm D has secured 1st place and Mr. Chandhan of 3rd B.Pharm secured 2nd Place in district level Speech Competition held under the aegis of Nehru Yuva Kendra, Mandya on the topic **"Role of Youth in Patriotism and Nation Building"** on 28th September 2018. Ms. Zaiba Sheriff has been selected for the State level Competition and Award prize of Rs 5000/-.

Ms. Zaiba Shareef secured 3rd prize in State level declamation held by Ministry of Youth and Sports, Govt of India on the topic **"Role of Youth in Patriotism and Nation Building"** on 2nd December 2018 at Nehru Yuva Kendra Sangathan, Rajaji Nagar Industrial Estate, Bangalore. She has been Award prize 5000/-Rs.

THREE DAYS INDUCTION PROGRAMME FOR ALL FIRST YEAR PHARMACY STUDENTS (D – PHARM/B – PHARM/M – PHARM)

Three days induction program was conducted for all first year Pharmacy students on 10th, 18th and 20th August, 2018.

Day - 1:

Mr. NAGA PRASAD

Motivational Speaker

BE (Karnataka University) and MBA (IIPM)

Holds 2 world records & 2 National records

1. Marathon typing on a computer for 108 hours.
2. Passed 53 engineering subjects in 2 attempts.
3. Marathon typing on a computer for 36 hours.
4. Making & flying 565 paper rockets in 60 minutes.
5. Qualified 10 mts Pistol national shooting.
Championship.
6. Intestine Cancer Survivor.
7. Authored "The tale of 2 great nations"
8. Motivated 13lakhs plus individuals across 364 districts in India.

Naga Prasad motivated the students with their motivational talk on following modules.

- ▶ Goal setting
- ▶ Parents & Guru Significance
- ▶ Overcoming barriers
- ▶ Never Give up
- ▶ Success Case Study
- ▶ Self-Motivation
- ▶ SWOT analysis
- ▶ Evaluating Human Being Potential
- ▶ Time Management
- ▶ Behavioral Skill

Day-2:

HODs of all the department delivered lectures.

1. Dr. Rajesh V, Department of Pharmacy Practice delivered lecture on "The Art of Adult Learning".
2. Dr. Annegowda HV, Department of Pharmacognosy delivered a lecture on "Occupational Safety & Health".
3. Dr. Jaishree V, Department of Pharmaceutical Chemistry spoke on the topic "Chemicals in Cosmetics & their Hazardous effects".
4. Dr. Prakash G, Department of Pharmaceutics gave a talk on "Pharmacy as a Profession".
5. Dr. Priyank Tripathi, Head of the department of Clinical Pharmacology, HCG, Bangalore, gave a talk on "The Importance of Pharmacy Profession".

Day -3: Resource persons from AIMS & BGSIT

1. Dr. KR Vasanth Kumar, Prof. Dept. of Anesthesiology, AIMS, BG Nagara delivered talk on "Proficiency on self-discipline, mind control & focusing towards setting short - term goals".
2. Dr. T Mahadevaiah, Professor & Head, Department of Civil Engineering, BGSIT, B G Nagara, motivated the students with his talk.

ALL INDIA UNIVERSITY SOUTH-ZONE HOCKEY MEN TOURNAMENT 2018-19

Mohammed Zuber of IV Pharm D was selected as a player in the playing 11 for the RGUHS men's hockey team. He had been selected for the training session with the team organized by RGUHS which was held at St. Johns medical college Bangalore. He was also selected as the Vice Captain of the team. It was held from 10th to 14th November 2018. The inter university hockey tournament (south zone) was held in Acharya Nagarjunan University, Nagarjuna Nagar Guntur, Andhra Pradesh. He was honored with the university blazer and medal by the Dr. Sachidanand, Vice Chancellor, RGUHS for his effort and commitment towards the team.

WORKSHOP ON PHARMACOECONOMICS (10th - 11th August 2018)

Our faculty Mr. Muhammed Rashid PP, from the department of Pharmacy Practice conducted two-days workshop on Pharmacoeconomics evaluations in Vikas Institute of Pharmaceutical Sciences, Suryapet, Telangana on 10th and 11th of August 2018.

The event was organized by Dr. Ramesh Adepu, Principal, Vikas Institute of Pharmaceutical Sciences, and around 30 Intern Pharm.D students attended the workshop. 1ST day session was on the topic "Basics of Pharmacoeconomic evaluations" which consist of various evaluation methods such as cost-minimization, cost-effectiveness analyses with case studies. Afternoon session was on Cost-utility analysis, Cost-benefit analysis and the cost of illness analysis.

2nd day session was on "Systematic reviews and Meta-analyses" where the students have been trained to conduct an outcome research. A hands-on training on the software was provided using the available facilities and through audio-video presentations. The importance of being a part of ISPOR Community was well-explained to the students during the session.

RGUHS SPORTS COMMITTEE

SPORTS EVENTS - 2018

In this academic year 2018-19, our students have participated in various inter collage zonal level competition organized by RGUHS, Bangalore. The details of the events held at various colleges is mentioned below;

Report

Sl. No.	Event	Date	Place	No. participate
1	Cricket	17/09/2018	Mandya Institution of Medical Science, Mandya	15
2	Foot ball	31/08/2018	Farriqoo college of Pharmacy, Mysuru	15

During this sports event, the college has sanctioning funds which includes Registration fee, TA & DA, Dress, sports materials, accommodation and attendance for the participants.

A Seminar on “Preclinical Drug Discovery and Animal Models used in Drug Metabolism and Pharmacokinetics”

The Department of Pharmacology organized a seminar on “Preclinical Drug Discovery and Animal Models Used in Drug Metabolism and Pharmacokinetics” on 17th november 2018. Mr. VISHWANATH K M Senior Research Scientist, PCO, Biocon Bristol Myer Squibb – R & D Center (BBRC) - Syngene International Ltd, Bangalore, India delivered the Lecture. Over 150 students including Faculty members (Final B.Pharm, III, IV, V Pharm. D and all Dept. PG students) attended the session.

Mr. Vishwanath K M deliberated his customized talk to the students of above mentioned classes so as to facilitate the theoretical aspects in the perspective of practical component in the field of research. He also customized his talk and gave tips to all the outgoing students about importance of developing skills in the process of employability. He talk gave main focus on:

- Need to conduct PK studies in animals
 - o To understand the clearance, volume of distribution, half-life and Bioavailability from animals studies (rat, mice, dog)
 - o The primary purpose of pre-clinical pharmacokinetic studies (rat, mice, dog) is to validate the tools that will be used to predict human kinetics.

He explained the regulatory requirements in India for conducting the animal studies and covered the Institutional Animal Ethics Committee (IAEC) and CPCSEA norms.

He explained 3R models using few case studies (mouse, rat and dog) and application in preclinical discovery and use of reduced number of animals to obtain the same results without compromising the quality of results.

Highlight of the seminar topic

1. Role of Pharmacokinetics studies in drug discovery and development
2. Animals models used in ADME studies
3. Mouse, rat and dog models
4. 3R models and application
5. Explained about Animal handling (Mice, Rat, Rabbit and Guinea pig) - PO, IP, IM, SC and IV dosing.
6. Explained about Designing and conducting pharmacokinetic studies in rats and Mice.

A Seminar on Overview of Diabetes Mellitus

A seminar on “Over view on diabetes mellitus” by Dr. M. A. Shekar, Director of Karnataka Institute of Endocrinology and Research, Bengaluru was conducted by Department of General Medicine at Adichunchanagiri Institute of Medical Sciences on 27, Nov 2018. Pharm D interns and 5th year pharm D students attended the seminar.

Dr. M. A. Shekar summarised the topic- Diabetes Mellitus and took a flow from definition to On treatment achievement via mainly focused on the lifestyle modification like diet, exercise, etc. and applying keep it simple and stupid technique on the modifications of life.

There were various diagnostic criteria for diabetics and pre-diabetics like symptoms + RBS $\geq 200\text{mg/dl}$, FBS $\geq 126\text{mg/dl}$, OGTT- 2hours plasma glucose $\geq 200\text{mg/dl}$, IFG & IGT. Hence, the classification and etio-pathogenesis was discussed in a simplified manner along with the effects of diabetes mellitus on kidney, liver, cardiovascular diseases and other peripheral vascular diseases along with their associated diseases and checklist for doubtful people in various geographical areas like demographic checks, lipid profile, LFT, etc. with few serious discussions he concluded the session by afternoon.

Report

OVERVIEW OF GUEST LECTURE ON EPILEPSY ON THE OCCASION OF INTERNATIONAL EPILEPSY DAY

ON 11th, Feb 2019 PHARM D Interns had attended a Guest lecture at Sri Adichunchanagiri college of medical sciences on "EPILEPSY organised by General Medicine Department.

Dr. Madusudhan B.K, Dr. Raghunahan Nadig, delivered the Lecture.

Dr. T.M. Manohar, Medical Superintendent , General Medicine graced the occasion as a chief guest.

It was mind blowing Guest lecture starting from Dr. Madusudhan B. K, sir Senior consultant neurologist and epileptologist, BGS Global Hospital, Bengaluru his message was short, simple, fabulous an inspirational . Mainly his Lecture is related to the EPILEPSY-INDIAN PERSPECTIVE and MANAGEMENT OF WOMEN WITH EPILEPSY.

Dr. Raghunandhan sir Professor of Neurology, St. John's medical college, he is an amazing person, he was very active through out the session, his friendly and humble nature is mind blowing. His achievements acts as motivation for us. And mainly the sir's Lecture is on APPROACH ON HEADACHE and TRIGEMINAL AUTONOMIC CEPHALALGIA.

Lastly, We would like to thank the Department of General Medicine Chair persons and Head Of the Department for inviting us cordially.

Industrial Visit 2018-19

Our college organized an industrial visit as a part of curriculum on 21st, 22nd & 28th of September 2018 to Karnataka Antibiotics & Pharmaceuticals Ltd & Group Pharmaceutical Pvt, Ltd respectively. Both are ISO 9001:2000 certified company. At first presentation was given on industrial profile, status, growth & the products manufactured by them. They are well equipped with high technology & automated instruments to meet requirements of regulatory guidelines. They are manufacturing Injectable, Dental care products, Semisolids & Oral liquid dosage forms. They allowed our students to visit stores, dispensing, packing, production and quality control departments & finally to see effluent treatment plant. In the end feedback from the students was taken regarding the visit. Mr. Vedamurthy Joshi, Mr. Purushotham KN & Mr. Nagesh DR were in-charge of the industrial visit.

Day 1

Date : 21-SEP-2018

Faculty : Mr. Purushotham KN & Mr. Nagesh DR

Students involved : 4th B. Pharm

Total number of students:52 members

Industry Visited : Karnataka Antibiotics and Pharmaceuticals Limited

Day 2

Date : 22-SEP-2018

Faculty : Mr. Vedamurthy Joshi &

Mr. Purushotham KN

Students involved : 4th B. Pharm & M. pharm

Total number of students : 61 members

Industry Visited : Group Pharmaceuticals private Limited

Day 3

Date : 28-SEP-2018

Faculty : Mr. Purushotham KN

Students involved : M. Pharm

Total number of students : 34 members

Industry Visited: Karnataka Antibiotics and Pharmaceuticals Limited

WORKSHOP ON PHARMACOECONOMICS on December 14th 2018

A one-day workshop on Pharmacoeconomics was organised in Nirmala College of Pharmacy under the Kerala University of Health Science. Our faculty Mr. Muhammed Rashid PP, from the department of Pharmacy Practice successfully conducted hands on training on softwares used in Pharmacoeconomics as a part of ISPOR students chapter annual function on December 14th 2018.

The event was organized by Dr. Manju Maria Mathews, Principal Nirmala College of Pharmacy, and around 30 pre-intern Pharm.D students attended the workshop. Morning session was on the topic "Basics of Pharmacoeconomic evaluations" which consist of various evaluation methods such as cost-minimization, cost-effectiveness, cost-utility and cost-benefit analyses with case studies.

Post lunch session was on "Software's used in Various Pharmacoeconomic evaluations" such as Tree Age. A hands-on training on the software was provided using the available facilities and through audio-video presentations.

The session was concluded by Fr. Jos Mathai Mailadiath, Administrator, Nirmala College of Pharmacy, followed by Honouring of the speaker. Dr. Juneeta Benny, Faculty Advisor, ISPOR SC, Nirmala CP gave the vote of thanks.

“Pharmaceutical Industry: An Insight for Budding Pharmacos”

In association with Pharma-Training Institute, (PTI) Bangalore A Report

Our College organized a Four days program entitled “Pharmaceutical Industry: An Insight for Budding Pharmacos”. The program was basically designed to sensitize and train the various aspects of Pharmaceutical Industries and its functions for the budding Pharmacos of Final year through number of sessions. This program was conducted in association with Pharma Training Institute (PTI), Bangalore. PTI is a non profit training organization, established to mainly to bridge gap between industry and academia by bringing industrial experts to budding students. Our college has successfully conducted this event since 2016 and students have appreciated the program very much. This year the program was designed with two days intensive class room training by industrial experts and two days USFDA approved Industrial plant visit. The session began with the formal inauguration in the morning on 15.09.2018 followed by seminar from Mr. Umanandan Misra about the Overview of Global Pharmaceutical Industry, followed by “Supply Chain Management” by Mr. R Kekere. The afternoon session was conducted by Mr. Hari P Gupta on Marketing and Stress Management. Second PTI training was conducted on 6.10.2018 by two eminent speakers Dr. Deepak and Mr. Sateesh Karanth on Pharmacovigilance, Clinical Trials, Regulatory Affairs, Formulation Development and QA, QC and other Industrial aspects. The session was completed and concluded by Mr. Umanandan Misra by explaining various aspects in the industry such as Accounts, Job Opportunities Attitude Building etc.

Students visited sterile unit of KAPL, Bangalore and Group Pharma, Malur on 21.09.2018 & 22.09.2018. 25 Post graduate students also visited KAPL, Bangalore on 28.09.2018. Students witnessed the dosage form preparation and evaluation in the industry. Feedback was taken after each session and the students rating were assessed. Industrial visit was made successful with the help of Dr. Nagesh and Mr. Purushottam K N. The entire event was coordinated by Dr. Vedamurthy Joshi, Associate Professor, Department of Pharmaceutics, as per the direction of Dr. B Ramesh, Principal SACCP. This program enabled the student and respective faculty to interact with the industry experts. Trainers expressed their joy after interacting with budding Pharmacos. Overall the entire program was helpful in building the confidence and attitude of the student towards the profession.

4th International Conference on Clinical Pharmacy (CPCON) on 5th & 6th of January 2019

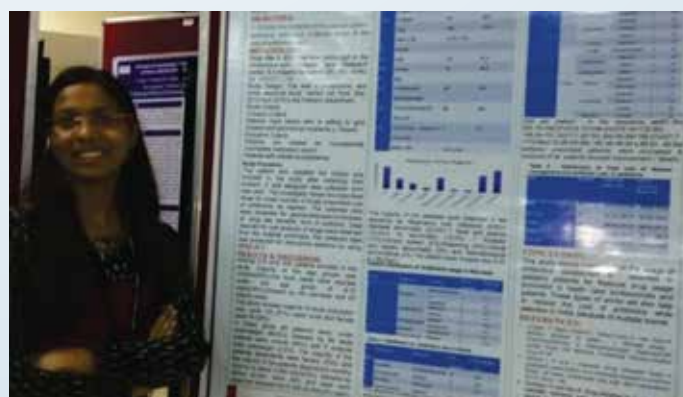

The two days International conference on "Transitioning towards Multidisciplinary Care and Research" was held on 5th & 6th of January 2019 at Kasturba Medical College, organized by the Manipal College of Pharmaceutical Sciences, MAHE. Our staff Dr. Ramanath K V and two 5th year Pharma D students Mr Prabin Thapa, Ms Grishma presented their Posters. Dr. Ramanath K V also contributed as a poster evaluator in that conference. One M pharm Student and three more Pharm D students also attended this conference as a delegate.

The two day conference consists of various resource personnel from abroad, Indian academy and industrial background. Overall more than 600 delegates participated in this conference. One of the speakers Miss Dr. Rory E. Kim, PharmD, Asst. Professor, University of Southern California, USA, gave a talk on the topic "Caring for the whole patient: A Multidisciplinary Approach For Patients With Diabetes". This gave an insight on how the alliance of the multiple disciplines involved in health care can work together to achieve better patient care and the benefits of a multidisciplinary approach to the patient care. The second resource person Dr. Douglas Steinke, Ph.D, Senior Lecturer, University of Manchester, UK gave his insights on the topic "Antibiotic Resistance and Antibiotic Stewardship: An International Perspective On What Pharmacist And Community Can Do?".

In the second day, resource person Dr. Ganesha Rai, Ph.D, Research Scientist/Chemist, NCATS, National

Institute of Health, gave his insights on "Impact of Small molecule Probes in Creating New Paths for Drug Discovery- A Sneak Peak on Translational Science Efforts at NCATS". The academic resource person Dr. S Sriram, Ph.D, Professor and Head, College of Pharmacy, SRIMPS, Coimbatore gave a talk on the "Multifaceted approach to ensure effective use of anti-microbial: Challenges Ahead".

Few more in-house resources persons from practicing medical fraternity also shared their knowledge and views in the conference along with the audience. Over all this conference was well organized and this conference helps us in enriching the latest trends of clinical pharmacy activity.

ISPOR SC-SACCP INAUGURATION

ISPOR Inauguration ceremony along with National science day was held on 1st of March 2019. The program commenced by an introductory video regarding ISPOR which provides the necessary information. An awareness brochure as a part of ISPOR SC-SACCP World cancer day celebration on topic "Gall bladder and Bile Duct Cancer awareness" was launched by the Principal and HODs in presence of ISPOR SC-SACCP president Harikrishna.

Dr. B Ramesh (Principal, SACCP), Dr. Prakash Gowdanavar (HOD, Pharmaceutics), Dr. Bheemachari (HOD, Pharmacology), Dr. Yunus Pasha (HOD, Pharma Chemistry) and Dr. Annegowda (HOD, Pharmacognosy) addressed the gathering regarding National Science Day as well as ISPOR.

Harikrishna A (President, ISPOR- SC –SACCP) gave a brief speech on ISPOR and its contribution to the Healthcare community and decision making. He also specified the role of ISPOR towards the society's mission that is to promote Health Economics and Outcome Research excellence to improve decision making for health globally. He made a note on the history of ISPOR and the need of ISPOR in a developing country like India.

Muhammed Rashid (Faculty advisor, ISPOR-SC-SACCP) delivered a seminar on all the aspects of ISPOR, need and benefits of being a part of ISPOR, Pharmacoeconomics and Outcome Research. He explained the benefits of being a part of ISPOR Student chapter and discussed regarding some upcoming activities of ISPOR SC-SACCP. He concluded the session by inviting the students to join ISPOR Students chapter and get benefitted from it.

THE 57th NATIONAL PHARMACY WEEK

The National Pharmacy Week, 2018 was conducted by our college in association with Indian Pharmaceutical Association (IPA). The theme selected for this year was "Pharmacists for a Healthy India". Pharmacists around the nation celebrate National Pharmacy Week every year from the 18th of November to the 24th of November to acknowledge the valuable contributions that Pharmacists and technicians make to patient care in hospitals, outpatient clinics, and other healthcare settings.

DAY 1

The National Pharmacy Week was inaugurated on the 19th of November 2018 by S Chandrasheker Shetty, Vice Chancellor ACU. The chief guest of the session was Dr. Premnath Shenoy, President IPA, Karnataka. A lecture was delivered by Mr. Raja Agnihotri on the topic "Current trends/innovations in pharma sectors" and Dr. Mahadev Rao conducted a session on "Future of Pharmaceuticals in genomic era: Multidisciplinary approach" followed by an interactive session for the students.

"Busqueda dei Tesoro", a Treasure Hunting competition was held on 17th of November 2018 during afternoon session among the students of our college and a cash prize of Rs 1000 was awarded to the winners. A team of five members from 2nd year won the first prize and 4th and 5th years shared the second Prize.

Report

DAY 2

On 18th of November 2018, Rangoli competition was held in Yuvalaya during the morning session.

DAY 3

Exhibition was inaugurated by Dr. S Chandrasheker Shetty (Vice Chancellor ACU) in the presence of Principal Dr. B Ramesh, HOD's and other faculty members. The exhibition comprised of creative works of students and consisted of information about the newly introduced drugs, drug interactions, and banned drugs.

As a part of the National Pharmacy Week, a painting competition was conducted during afternoon session based on the theme **"Pharmacists for a Healthy India"**.

Cultural programmes namely, cancion dueto (duet song), groepsdans (group dance), sincronizacion de baile (dance synchronization), cancion solista (solo song) was conducted during the evening session and it turned out to be a grand event.

DAY 4

On 20th November 2018, our alumni Dr. Mathew James delivered a seminar on the topic **"Recent Trends and Opportunities in Pharmacovigilance"**. The seminar was followed by an interactive session.

Report

DAY 5

As a part of the National Pharmacy Week, the students of the pharmacy practice department organized a rally at Bellur on 22nd Nov 2018 to create awareness among the community regarding "Antibiotic Resistance".

PHARMADITE 2K18 (WORLD PHARMACIST DAY)

The World Pharmacist Day was conducted at our college as "PHARMA-DITE 2K18". Pharmacists around the globe celebrate 25th September as The World Pharmacist Day every year. This year's theme for the World Pharmacist Day is "PHARMACISTS: YOUR MEDICINES EXPERTS".

PHARMA-DITE 2K18 comprised of a 3-day celebration starting from the 25th to 27th September.

Day 1: EXHIBITION

Exhibition was inaugurated by Dr.Sagar (Incharge MS, AH&RC) along with Dr.Shashikanth Bhatt (Unit Chief, Med. B) in presence of Principal Dr. B Ramesh along with other faculty members by cutting ribbon followed by cake cutting at exhibition centre.

The exhibition was informative as it highlighted the newly introduced drugs, updated information, drug interactions, banned drugs etc, The awareness materials for the public created on the topics of "Suicide prevention", "Drugs gave me the wings to fly but it took away my blue sky" and "Know your periods" were launched during the inauguration.

FREE MEDICAL CHECK UP

As a part of PHARMA DITE 2k18, a free health checkup was conducted at Ambulatory patient care Centre of Department of Pharmacy Practice. The free health checkup was coordinated by pre-interns. They were provided with special hands-on training on Glucometer, Digital Sphygmomanometer along with measuring of Pulse Rate and BMI. Medico interns from General Medicine and Psychiatry also extended their support in all activities. The free health check-up was inaugurated by Dr.Shashikantha Bhatt followed by medical check up which was open for the public till 5 PM. As a part of camp stress screening was also done in association with Psychiatry Dept. Approximately 100 volunteers including patient's attendees and visitors were screened during the session and the volunteers with abnormal health status were referred to Out Patient Department of Medicine.

Report

VISIT BY VICE CHANCELLOR

Honourable Vice Chancellor, Dr. S Chandrashekara Shetty visited the Exhibition Center followed by ambulatory care services of Dept. of Pharmacy Practice at 2.15 PM. The visit was accompanied by Dr. K Byrappa (Pro. VC, ACU), Dr. C K Subbaraya (Registrar, ACU), Mr. B K Umesh (Finance Officer), Dr. Sagar (In-charge MS, AH&RC), Dr. Shashikanth Bhatt (Unit Chief, Med. B), Dr. B Ramesh (Principal, SACCP) and Dr. Rajesh V (HOD, Dept. Pharmacy Practice).

Dr. Rajesh V Head, Department of Pharmacy practice introduced all the activities done by the Department to the honorable delegates and discussed regarding the scope of improvement to serve as better health care professionals. Student in-charges helped in checking their health status and assessed the stress.

VIZATIM

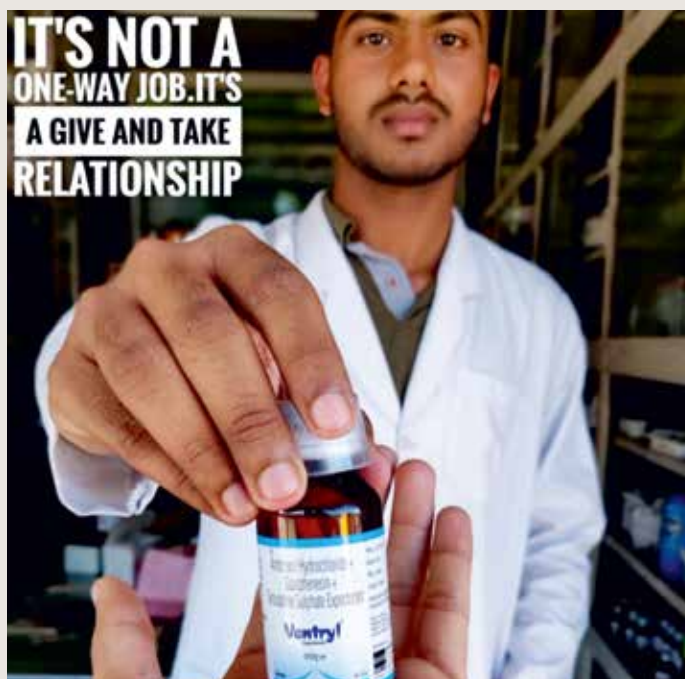

On the occasion of World Pharmacist Day a drawing competition 'VIZATIM' was held on 25th September 2018 for the students in the exhibition hall of PharmaDite-2k18 at 3 PM. The theme provided for the participants was "PHARMACY LIFE". Rakshith of 2nd Pharm.D was declared as the winner of solo drawing competition and Dharshan and team of 4th Pharm.D was declared as winners for group-wise competition.

Report

CONCURSO FOTOGRAFICO

Photography competition was conducted as a part of PharmaDite-2k18 with a theme of "Pharmacists: Your medicines Experts" which was open for all the students of SACCP and sister institutions under ACU.

VETTAI

PharmaDite-2k18 team conducted treasure hunt named as Vettai, where in 16 teams consisting of 5 members in each group enrolled. A screening test was conducted for the smooth handling of event by organizing a memory test and 5 of the best teams were selected for the final round. Among them a team from VthPharm.D was crowned as the winner and all other teams were awarded with participation prizes.

TANZPIEL

The 1st day was winded up with a mind blogging tantalizing Mime @ AIMS lounge around 5 PM in the evening in presence of students and delegates of SACCP and AIMS. The eye-catcher of the day, Mime was rephrased on the theme "Role of Pharmacist in the invention of new drugs during a new viral outbreak". The audience was fascinated by the performance of the artist and appreciated the effort with a fruitful feedback.

Day -2

The second day of PharmaDite-2k18 was started by the visit of BGS Model Public school students to the Exhibition Centre. School students were so enthusiastic to know the aspects of the drugs and actively participated in all the activities arranged. Dr. Rajesh V gave away the prizes to the winners during the visit.

Report

Day-3

Third day of PHARMADITĚ-2k18 comprised a drawing competition and various sports activities for high schools students in BGS Model Public School. Organizers planned certain games for non-participating students to keep them entertained while drawing competition was conducted in the background. The drawing competition was conducted on the topic of "Role medicine in our life".

On behalf of PHARMADITĚ-2k18, a drawing competition and free health checkup were carried out in collaboration with BGS MODEL PUBLIC SCHOOL on 26th September. Drawing competition was conducted exactly at 2.30 PM for 4th & 5th standard students on the topic 'Role of medicine in our life'. The students outwitted the organizers with their extraordinary thinking that they delivered to us through their drawings and sharing the ideas.

Simultaneously a free health checkup was organized for both teaching and non-teaching staff of the school in collaboration with the Dept. of Medicine and Psychiatry. The program was inaugurated by Mrs. Neerada (Principal, BGS MPS). All staffs were screened for the medical checkup.

WORLD AUTISM AWARENESS DAY

Our faculty and students visited an Orphanage or a special care center named Dayabhavan (shelter home for boys) as a part of Autism awareness day on April 04, 2019 which is organized by ISPOR Student chapter with Support of SACCP. There were around 75 children with 4 care-takers. They provided a welcome drink along with a welcome dance.

Next we visited their office and went through their albums and prizes won by the children for various cultural events and sports across the state and National level. The event was initiated by giving an introduction on Autism in Kannada and English language by Reetha and Sindhushree of 3rd Pharm.D. Sindhushree welcomed all the dignitaries to the Dias and all the children and SACCPians to the event.

Moman Joseph (HOD, MSW) given an informative session on Autism and role of all the professionals to get into the public service for about 10 minutes and Muralidhar Gowda (Assistant Professor, MSW) introduced the different institutions and social works done by Dhayabhavan and their organization. Muhammed Rashid (Assistant Professor, SACCP) concluded the session by giving the vote of thanks.

The cultural events was started immediately after the session. All the students of SACCP and Children of Dhyabhavan actively participated in various events including dance, songs etc.

There was a lunch arranged at 2 with all the children and staffs. They taught us the procedure to have food properly including how to take, pray and everything. After lunch we visited Dayakirana adoption center where about 8 babies were taken care and ready to be adopted soon. It was a heart touching experience for all of us.
