

## From Editor's desk...

We serve, to continue to meet Academic Plan, Growth Strategy, and the College's Vision and Mission. I have seen the progress made by the efforts of our faculty, it is promising and motivating. We are now home to a cutting-edge facility with unique technological features that introduces our students to the future. I am glad that this month is a time of clear achievements. I would also like to reiterate our goals as a community, 'Colleges and Universities will drive creativity, innovation, knowledge, and community engagement through teaching and research. They will put students first by providing the best possible learning experience for all qualified learners in an affordable and financially sustainable way, ensuring high quality, and globally competitive outcomes for students. Let us all keep these words close to our hearts, as we continue to encourage positive changes in attitudes.

## SACCP Literary Competition-2021

Institutional cultural unit organised Annual Literary Competition-2021 on 1st February to 6th February 2021. Various competitions were organised for in campus students in this event. All the students are taken part and submit their competition entries in various events. The event consist of multiple parts such as- Drawing Competition- (Pencil Sketch, Water Colour, Pen Sketch, Cartoon or Puzzle- Any Relevant topic), Writing Competition (Kannada/ English) - (Essay, Stories, Short Stories, Poems, Any Relevant topic), Photography competition- (Topic: College Campus/

College Life) etc. Students were actively participated in these events and the winners will be facilitated and awarded on annual day 'Dikhsha Maitry 2021'.

## Awareness Program on Cyber Crime

Cybercrime awareness program for ACU Students was organized by BGS College of Education, ACU, BG Nagara on 16.03.2021 at Panchajanya Auditorium, ACU Campus. More than 200 students of various constituent colleges participated in the program. Sri Adichunchanagiri college of Pharmacy, BG Nagara deputed 50 students of various courses accompanied by two faculties. Honorable Registrar, Dr. CK Subbaraya chaired the session.

Mr. Sharath M B, explain the various concepts of digitalization along with its advantages & threats. Speaker enlighten the participants about the various apps and permissions given from the mobile. He also highlighted the values and provided tips regarding the Data protection and password protection, handling social media. In addition, he also provided laws for child pornography and mishandling the secured data. Further, he also informed how to register the complaint in such cases. Overall, students enjoyed the session and got aware of the changing digital world. The session was concluded by Prof. Shivaram AT, Principal, BGS College of Education, BG Nagara.

## Deeksha Maithree- 2021

Organized 'DeekshaMaithree' Graduation day and Alumni meet 2021 on 17th March 2021 at Yuvalaya. His holiness Sri SriPurushothamanandanathaSwamiji graced the function and delivered the words of wisdom to the entire graduated pharmacist.

ParampoojyaGuruji highlighted the importance of pharmacy education to provide better health care to the society and also stressed on the importance of pharmacist services during COVID pandemic. The event was presided by Mr. Sunil Attavar, Chairman and Managing Director, Group Pharamaceuticals, Bengaluru and President, KDPMA Bengaluru. In his deliberation, he stressed upon the importance of honesty and loyalty by pharmacists in their profession.

During this event of annual college magazine 'Aoushadhagiri' (Volume VIII), monthly newsletter 'Aoushadhavani' and health information leaflets were released by dignitaries.

On this eve, felicitation to Mrs. Pramila N. D and Mr. Govindaraju N with as distinguished Alumni 2021 awards.

During this occasion, 140 graduates of different pharmacy courses like B. Pharm, Pharm. D, M. Pharm from different part of the country were graduated witnessed by 200+ proud parents. This programme was also attended by Dr. S ChandrashekharaShetty, Honorable Vice Chancellor ACU, Dr. C. K Subbarya, Registrar, ACU, Principals of six ACU constituent colleges, MS AHRC and teaching & non-teaching faculties.

## Glimpses @ Deeksha Maithree

## Faculty as Guest of Honour

Seminar on “Everything is a drug; It depends on dosage calculation” Clinical Clinical Nursing Unit of Adichunchanagiri College of Nursing organized seminar on “Everything is a drug; It depends on dosage calculation” on 19-03-2021 at Lecture Hall, AIMS for nursing students and for staff nurses. The seminar was successful by participation of 270 were participants.

Prof. Dr. Ramesh, Principal College of Pharmacy was the Chief Guest and Prof. Dr N V Muninarayanappa, Principal and Dean, ACN was presided over the inauguration programme, Mrs. Vishalakshi, Nursing superintendent, Mrs. Hemalatha Nursing Service department were also present during inauguration.

The Programme was inaugurated by the dignitaries by lighting the lamp. Dr. Ramesh, Dean and Principal, SACCP in his address explained about statistics of drug errors it happens in clinical setting and the significance of drug calculation for nurses as they play a vital role in the administration of drugs. Prof. Dr. N V Muninarayanappa principal of college of nursing in his address emphasized that the

nurses are the key persons who are directly involved in drug calculation as we dealing with the patients care. Sir also shared some of clinical experience during the session. Finally we took feedback from the participants and concluded the session with Vote of thanks.

## World Tuberculosis Day 2021

NSS unit and Rotary B G Nagara conducted "World Tuberculosis Day " on 24th March 2021 in association with Department of Community Medicine and NTEP unit of AH&RC at Alisandra village. Program was inaugurated by all dignitaries by watering the plant. The chief guest of the Awareness program was Dr. Ramesh, THO Nagamangala, in his speech he mentioned that early identification and treatment of TB is the key to preventing further spread TB and our aim is to reach out to every TB patient and urge them to go to the nearby government health centres for treatment. Speaking on the occasion Dr. Shashikanth SK, Nodal officer NTEP, provide all the basic information and highlighted the statistics of TB disease in India. During the program our NSS volunteers performed role play to spread the awareness about the TB and also presented the TB information poster to the Anganavadi of the village. Dr. Basavaraj M Ingalgeri, Prof and Head Department of Community Medicine. Dr. Sheethal, NSS programme officer, AIMS and Mr. Ravindra B N, NSS programme officer, Mr. Punith, PRO, SACCP coordinated the programme. Around 120 villagers and 25 NSS volunteers participated enthusiastically in the programme.

## Skill Development Programme

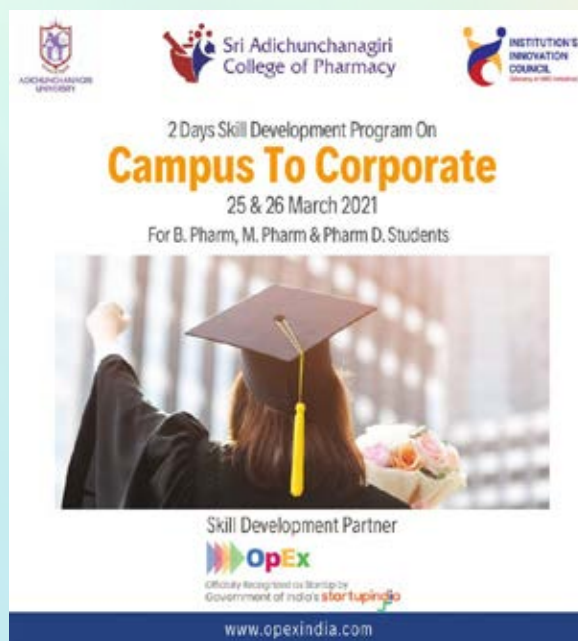

Training and Placement Cell has conducted 2 days Skill Development Program on "CAMPUS TO CORPORATE" on 25th & 26th March 2021. Program was initiated by Mr. Sachin Kambhoje, CEO, Opex Accelerator. Pvt. Ltd., Kohalapur and Mr. Brijesh Talwadekar, Trainer, Opex Accelerator. Pvt. Ltd., Kohalapur

Day 1: The Skill development was started with Ice Breaker & Breakthrough by Mr. Brijesh Talwadekar and Trends of Industry & Trends in Job Domains, Interview Process & Job Wise Interview Rounds by Mr. Sachin Kambhoje.

Day 2: The Skill development was started with HR Interview Preparation, Business & Corporate Etiquettes, and Interview Etiquettes by Mr. Sachin Kambhoje and Mr. Brijesh Talwadekar

In Valedictory Dr. T Yunus Pasha has distributed Certificate to all the Participants and we got good review from the participants.

Around 140 Final Year students of B. Pharm, Pharm. D and M. Pharm Participated enthusiastically in the programme.

## Enterprunourship Development Program

Institutional Innovation council (IIC) has conducted an awareness programme on Startup and Entrepreneur “JOURNEY OF STUDENT: IDEA TO STARTUP” on 27th March 2021. Program was initiated by Mr. Sachin Kambhoje, CEO, Opex Accelerator. Pvt. Ltd., Kohalapur and Mr. Brijesh Talwadekar, Trainer, Opex Accelerator. Pvt. Ltd., Kohalapur. They discussed and enlightened the students about startups and how to establish an Startup. Around 200 students of B. Pharm and Pharm. D Participated enthusiastically in the programme

## Guest Lecture Series

Conducted a seminar for PG students on the topic of “Recent Advancement and Trends in Pharmaceutical Industry” on 27th March 2021.

The Resource person was Mr. Raja Agnihotri, Chief Business Officer, Sarvatham Group of Industries, Hyderabad. He gave valuable information regarding current hypothesis of COVID-19 and interacted with students.

**Date: March 27, 2021**

**Timings: 11:00 AM**

Department of Pharmacy Practice organized a virtual Guest Lecture on 8th May 2021 for V and VI Pharm. D students along with IV Year B.Pharm Students via Google meet. The topic of the webinar was "Pharmacovigilance: Concepts and Applications". The Speaker of this event was Mr. Muhammed Rashid PP, Ph.D Scholar, Department of Pharmacy Practice, Manipal College of Pharmaceutical Sciences, Karnataka, India. A total of 85 participants were attended that virtual session and an live interactive session.

**WEBINAR** Date: 8th May 2021 Time: 10:30 am

**Pharmacovigilance: Concepts and Applications**

**Speaker** MUHAMMED RASHID PP  
Ph.D Research Scholar  
Department of Pharmacy Practice  
Manipal College of Pharmaceutical Sciences

**Organised by**  
Department of Pharmacy Practice,  
Sri Adichunchanagiri College of Pharmacy

**Platform:** Google Meet

**Participants:** V & VI Pharm.D, Final Year B.Pharm Students

**Barriers in PV**

- > Difficulty with adverse event recognition
- > Under reporting decreases sensitivity and makes the system sensitive to selective reporting
- > Bias
- > Report quality
- > Estimation of population exposure/Lack of denominator
- > Unable to accurately assess risk, risk factors or between drug comparisons
- > Poor at detecting delayed ADRs
- > Deaths poorly reported
- > Only suspected ADRs reported

Muhammed Rashid PP - Pharmacovigilance

## Selfiecontest 2021

Women empowerment cell organized selfie contest on 1-15th April 2021 on various themes includes 'Back to Home', My Mother –My Inspiration, Healthy Moments, Swachha Bharath' etc.

**Selfie CONTEST**  
April 1<sup>st</sup> - 15<sup>th</sup>

A selfie contest was organized by Women Empowerment Cell.

The themes of selfie contest are:

- Back to Campus
- Healthy Moments
- My Mother - My Inspiration
- Swachha Bharath

**My Mother - My Inspiration**  
Winner is MEDHINI H GOWDA, 4th Pharm.D, SACC

**WE APPRECIATE EVERYONE WHO TOOK THE TIME TO SUBMIT AN ENTRY**

**Selfie CONTEST**  
April 1<sup>st</sup> - 15<sup>th</sup>

**Contest Guidelines:**

- **Back to Campus:** Selfie Should be taken during post Lockdown & within Campus.
- **My Mother - My Inspiration:** Mother Name, Convey Mother's Day message (Kannada, English, Hindi)
- **Healthy Moments:** Exercises, Running, Yoga, Swimming, Well-being activities
- **Swachha Bharath:** Clean up & post selfie (Social Activities)

**Note:** \* Each Selfie Should contain Caption & Hashtag#  
\* Selfie's should be in a JPG format.

**Post & Win 1<sup>st</sup> Prize Rs.1000**

## Search of a remedy from plants for Covid-19

Department of Pharmacognosy in collaboration with Karnataka Registered Pharmacists Association (KRPA) organized a webinar on "In search of a remedy from plants for Covid-19" on 15th May 2021.

The main speaker of the webinar was Dr Hrishikesh Damle, Founder, CEO and MD of Atrimed Ltd. Bangalore. The events onboarding talk and moderation was presented by Mr. Sunil Chiplunkar, Advisory member, KRPA, conclusive remarks and brief introduction was presented by Dr. B Ramesh, Dean and Principal, SACCP, and closing remarks and vote of thanks were conveyed by Mr. Saleem Ahmed, Director, KRPA, Mysuru.

The webinar kicked off with information on plant based secondary metabolites origin to their usefulness in diverse clinical conditions owing to their variety of pharmacological activities. Dr. Damle also discussed about the process flow in which how different natural molecules are subjected to in silico modelling followed by their in vitro anti SARS Cov 2 activity evaluation is carried out to search for a potential antiviral molecules.

The webinar was attended over 600 attendees from across India. Event also witnessed young minds clarifying their doubts by posting their questions to the speaker. Over all the webinar gave basic insights and useful information on various plant based molecules in pipeline ready to be used as antiviral clinically in line with Remdesivir.

**IN SEARCH OF A REMEDY FROM PLANTS FOR COVID-19**  
On 15<sup>th</sup> May (Saturday), 2021 @ 4.00 pm

## Bridge Course in Pharmaceutical Management

Institutional placement cell (IPC) and OpEx Accelerator Private Ltd, jointly organized a 'Bridge Course in Pharmaceutical Management' from 17th May 2021 to 21st May 2021. This event was cohosted with Bharati Vidyapeeth College of pharmacy, Kolhapur, Maharashtra. The key highlights of this course was -

- Learn everything about Pharma Sales & Marketing
- Learn from Industry Mentors, Completely LIVE
- Get everything about Pharma MBA and MBA Career Opportunities
- Certificate of Completion
- CV Bank for Job Opportunities

Third and final year B Pharm and M Pharm students were enrolled in the bridge course and sharpen their knowledge with current trends in pharma industries and certified as well.

## World No Tobacco Day 2021

An awareness drive was been initiated on 31st May 2021, on World no tobacco day. The event was co-organized by Rotary, B G Nagar (club ID: 87512). The theme of the event was "Commit to quit". The awareness e-leaflet and pledge was circulated among students and various social groups to create the awareness against the evils of smoking and encourage them to quit such habits.

## Two Days National Virtual Conference

**Adichunchanagiri University**  
**Sri Adichunchanagiri College of Pharmacy**  
BG Nagar

Organizing Two-day national seminar on  
**REPURPOSE DRUGS: NEW STRATEGIES FOR DRUG DEVELOPMENT**  
June 10- 11, 2021

**Aims and Thematic Areas of the Conference:**

- To gather students and scholars from various disciplines sharing questions, experience and knowledge on make development inclusive.
- To defining sustainable goals and future global development in drug repurposing.
- Bringing together a scientific community in addition to graduate students will create a unique opportunity for individuals and institutions to share experiences and to established collaboration networks.

**Topics to be discussed...**  
Time: 9.30 AM - 12.30 PM

**Day 1 (10/06/2021)**

- New strategies for drug Repurposing and development.
- Perspectives and challenges of drug repurposing.

**Day 2 (11/06/2021)**

- Recent trends in medicinal plants as Immunostimulants to combat COVID 19.
- Repurposing of cardiovascular drugs and its prospects.

**Online platform : MS Team**

- Registration fee: No registration fee
- Who can be register: Students (D Pharm, B Pharm, M Pharm, Pharm D), Research scholars, Faculty members and others (relevant areas)
- Registration link: <https://forms.gle/zrLtgobik3k3nCraC7>

\*\*\* All registered delegates will receive an email of confirmation along with the link for the conference meeting. Two separate links can be sent via Registered email ID's. All the attendees will be provided an e-certificate at the end of 2nd day's seminar.

**Keynote address by**  
**Dr. Vikas Shirsath**  
Senior Vice President  
Jubilant Biosys Limited  
Noida

**DISTINGUISHED SPEAKERS**

**Dr. Hrishikesh Damle**  
MD & CEO  
Attrimed Biotechnology

**Dr. S Parasuraman**  
Associate professor,  
Faculty of Pharmacy, AIMST  
University, Malaysia

**Dr. Sunil S. Jalapure**  
Principal & Professor,  
KLE Academy of Higher Education and  
Research, Belgavi.

**Dr. Jestin Chellian**  
Faculty of Life Sciences,  
International Medical University (IMU), Kuala  
Lumpur, Malaysia.

Legacy of the Sri Adichunchanagiri College of Pharmacy, that learning never stops @ SACCP, continued with the beginning of Two days National level Conference on “Drug Repurposing – Strategy for New Drug Development” in virtual mode during 10th to 11th June, 2021.

The conference was hosted by Department of Pharmacognosy. Amalgamation of information on aspects pertaining to drug repositioning was exchanged by all the eminent speakers, and was very well perceived by the delegates. The conference speakers were a blend of intellectuals from academia as well as industry with a genuine research background.

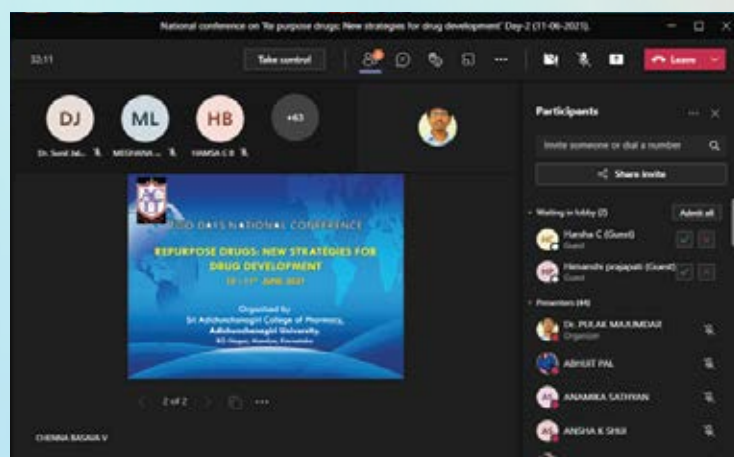

Nearly 1000 plus delegates representing different states like Karnataka, West Bengal, Maharashtra and Andhra Pradesh, Sikkim, Gujarat etc. registered for the conference and a lion share of registrees attended the conference. Simultaneous live streaming of all the sessions through Youtube was also made available.

During the sessions delegates not only learnt what is a Drug repurposing, strategy used for repurposing but also perspectives, challenges associated with it. Even though, current trends in using medicinal plants to combat Covid 19 to learning real examples of drug repurposing with regard to cardiovascular drugs. At the end of all plenary sessions, a panel discussion was convened to make the conference more exciting and interesting.

Dr. B Ramesh, Dean of Pharmacy & Principal, SACCP, BG Nagar flagged off the sessions with the welcome address. Team of SACCP is extremely thankful to all the eminent speakers, Dr. Vikas Shirsath, Senior VP, Jubilant Biosys Ltd., Dr. Hrishikesh Damle, MD and CEO, Attrimed Biotech, Dr. S Parasuraman, Associate Prof, Unit of Pharmacology, AIMST University, Malaysia, Dr. Sunil Jalapure, Prof and Principal, KLE College of Pharmacy Belgavi, and Dr. Jestin Chellian, Faculty of Life Sciences, International Medical University, Kuala Lumpur, Malaysia for sharing their knowledge and Research expertise for the learning of all budding researchers.

Overwhelming response was recorded for a quiz competition that was organized following two days sessions competing for first and second cash prize of Rupees 2000/- and 1000/- respectively.

Attendees felt attending such an event during this pandemic actually made more sense to a true researcher as world over scientists are looking for alternatives for prevention and treatment of COVID-19.

## Webinar on Career Guidance

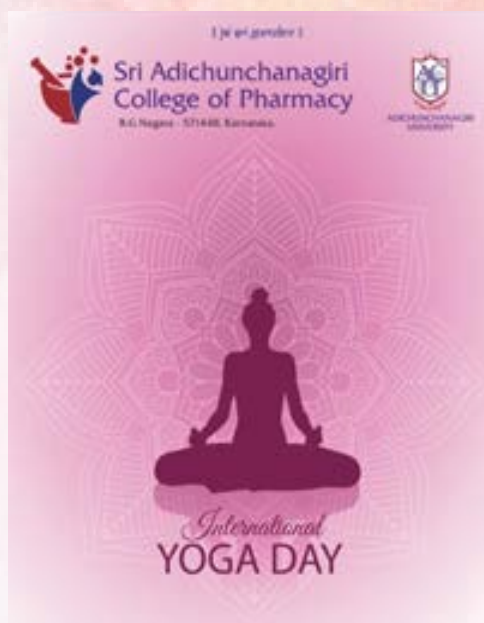

Webinar on "Career Pathway and Study Abroad Opportunities for Pharmacy Graduates" was jointly organised by Adichunchanagiri University's, Sri Adichunchanagiri College of Pharmacy, B. G. Nagara, Karnataka and AECC Global Services for Pharmacy Graduates. Webinar was held on June, 17, 2021.

Webinar started with welcome address by Dr. Prakash Goudanavar, Professor & Head, Department of Pharmaceutics. The Speaker of the webinar was Mr. Joel Noronha, Operations-AECC Global Services, Karnataka & Kerala.

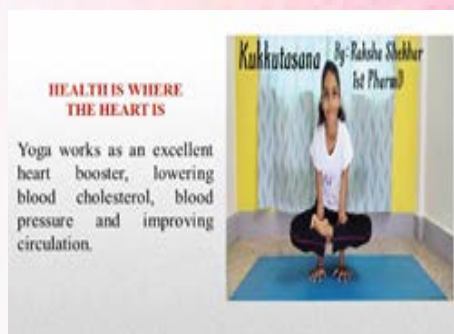

Through the webinar, the participants were provided insights into study abroad opportunities – Australia, Canada, Ireland, New Zealand, UK and USA, Entry requirements for study abroad, Exams to be taken for study destinations – IELTS, PTE, TOEFL, GMAT, GRE and Scholarships and Career Opportunities in abroad.

The webinar witnessed the enthusiastic participation of more than 200 students across the country.

## International Yoga Day-2021

Institutional NSS unit celebrated 7th International Yoga Day by focusing on the theme "Yoga for well-Being" on 21st June, 2021. In order to create awareness about the International Yoga Day and its important, A short video was played in Zoom platform and posters containing information on benefits of Yoga was circulated among students and staffs. Unit also encouraged students and staff to take online pledge at [yoga.ayush.gov.in](http://yoga.ayush.gov.in) to make yoga an integral part of their life. Some event glimpse furnished below

## STUDENT ACTIVITIES:

### Bridge Course:

Students of VI and VIII semesters were undergone bridge course during lockdown time organized by Opex-ACU jointly in the field of Pharmaceutical Management. This virtual course has enthusiastically participated by students and obtained their certification after completion of course.

### E-poster Competition:

- Students of I D Pharm has participated e-poster competition organized by Sarojini College of Pharmacy, Kolhapur, on the event of 'World no tobacco day'. The theme of the event was 'Commit to quit'.
- On 8th March 2021, accordance with 'International women's day program' the student of IV Pharm D i.e., Medhini, Anwitha, Rakshith were participated in poster competition and declared winner of the event.
- Medhini and Anwith from IV Pharm D also participated in photo contest organized for the part of 'International Women's day' celebration 2021.
- Students of IV Pharm D attended seminar on social media trafficking at BGSPM School at 15th March 2021.
- Women empowerment cell organized selfie contest on 1-15th April 2021 on various themes includes 'Back to Home', My Mother –My Inspiration, Healthy Moments, SwachhaBharath' etc. The winner of the event was declared, Medhini H Gowda from IV B pharm in 'My Mother –My Inspiration' category.
- 44 students of VI semester have registered for A General course on intellectual property right on WIPO website during last week of May 2021.

## FACULTY ACHIEVEMENTS:

- Mr. Venugopal N, Dept. of Regulatory affairs, Delivered a talk on "Hatch Waxman Act and Orange Book : A US Regulatory Prospective" On 3rd June 2021, During: Certified Bridge Course on "Regulatory Affairs" on a virtual platform, organized by Bharati Vidhyapeeth College of Pharmacy, Kolhapur and Opex Accelerator Pvt. Ltd.

**Dr. Pulak Majumder**

Dr. Pulak Majumder currently serving as an assistant professor, Department of Pharmacognosy and Phytochemistry, has been awarded with degree of 'Doctor of Philosophy' for his research work entitled 'Development and formulation of Polyherbal Formulation for various clinical diseases' from PRIST University, Thanjavur, Tamilnadu on 7th January 2021. Dr. Majumder has more than 30 scientific research and review publications in reported international journals. Three text books and two book chapters along with one Indian provisional Patent is also credited to him.

**Dr. M. Shankar**

Dr. M. Shankar, working as assistant professor, Department of Pharmaceutical Chemistry, has been awarded with degree of 'Doctor of Philosophy' for his research work entitled 'Pharmacognostical and Pharmacological Evaluation of Eugenia Jambolana Leaves', from Himalayan University, Arunachal Pradesh, on 28th March 2021. Dr. Sankar, have published over 60 research and review articles and also two book chapter in reported scientific journals.

**Dr. Naga Prashant K**

Dr. Naga Parashant K serving assistant professor in department of Pharmaceutical Chemistry has been awarded with degree of 'Doctor of Philosophy' for his research work entitled 'Development of a validated RP-LC/MS method for quantification of different categories of drugs in biological matrices' from Vels Institute of Science, Technology and advanced studies on 22nd January 2021. There are 12 research and review publications along with two Indian patents are in his credit.

## CONFERENCE SPONSORSHIP FOR FACULTIES

Faculties from Clinical Trial Centre of Department of Pharmacy Practice, Ms. Devi Gokulan, Senior Clinical Research Coordinator, Dr. Berlin P Kurian, Dr. Gopika Surendran and Dr. Krishnendhu Ajayakumar (Junior Clinical Research Coordinators), has been sponsored by Sri Adichunchanagiri College of pharmacy, for attending the two day virtual conference organized by Indian Society of Clinical Research (ISCR), entitled '14th annual conference 2021' on 19th and 20th of March. The theme of the conference was "Clinical Research-Transforming Lives: 2021 and Beyond" The conference program specially crafted to focus on the future of clinical research and how it is transforming lives in general, as well as discussion on merging research opportunities in India.

The conference was attended by over 500 delegates from medical and pharmacy institutions, ethics committees, the pharmaceutical industry, government, patient's organizations and clinical research organizations.
