

WHO WE ARE

ABOUT THE UNIVERSITY

Nestled in the serene landscapes of Karnataka, India, Adichunchanagiri University (ACU), accredited with a NAAC A+ grade, is a distinguished center of learning. Established in 2018, ACU stands as a beacon of innovation, growth, and transformation.

The university owes its foundation to the visionary leadership of Jagadguru Sri Sri Sri Dr. Balagangadharanatha Mahaswamiji, the 71st Pontiff of Sri Adichunchanagiri Mahasamsthana Math, who envisioned a vibrant learning hub that nurtures intellectual excellence and equips students with essential skills. Currently, ACU flourishes under the guidance of the 72nd Pontiff, Jagadguru Sri Sri Sri Nirmalananda Mahaswamiji, who continues this legacy with a steadfast commitment to holistic education and progressive ideals.

Moreover, the university is deeply committed to preserving India's cultural and spiritual legacy, offering a holistic education that blends knowledge, values, and tradition seamlessly.

ABOUT THE INSTITUTE

The Faculty of Pharmacy at Sri Adichunchanagiri College of Pharmacy, part of Adichunchanagiri University, is a distinguished center for pharmaceutical education and research in India. Situated amidst the tranquil Adichunchanagiri hills in Karnataka, it embodies a harmonious blend of traditional wisdom and cutting-edge pharmaceutical innovation.

With a mission to shape proficient pharmacists and pioneering pharmaceutical scientists, the Faculty offers a wide array of academic programs, including undergraduate, postgraduate, and doctoral degrees. These programs are thoughtfully crafted to deliver in-depth knowledge, hands-on practical training, and a strong foundation in ethical values—preparing students to excel in the ever-evolving pharmaceutical industry and healthcare landscape.

Dedicated to fostering academic excellence and innovation, the Faculty of Pharmacy remains committed to advancing pharmaceutical science and contributing to societal well-being.
