MSME IDEA HACKATHON 4.0

Date: 12.09.2024

Host institute: Sri Adichunchanagiri College of Pharmacy, BG Nagara

Subject: Participation in MSME Idea Hackathon 4.0 — Ministry of MSME, Government of India

This is to inform all students and faculty that the Ministry of Micro, Small and Medium Enterprises (MSME), Government of India, has launched **MSME Idea Hackathon 4.0** for young innovators (aged 18–35), focused on **Frontier Technology in MSMEs** (smart technologies, IoT, AI, and automation). Selected ideas are eligible for financial assistance up to ₹15 lakh per approved idea through the Host Institute.

All interested students are encouraged to register and submit their innovative ideas on the official MSME portal before **26.09.2024**. The E-Cell will provide guidance and mentoring support for idea development and portal submission.

Interested students may contact the E-Cell coordinators at the earliest.

Minutes of Meeting

Meeting No.: 04/2024-25

Date: 14.09.2024

Time:

Venue: Principal's Chamber

Members Present:

Sl No	Designation	Name	Signature
1	Chairperson	Dr. Bharathi D R	
2	Member Secretary	Dr. Vedamurthy Joshi	
3	Member	Mr. Manoj Mouli	
4	Member	Dr. Rashmi NG	
5	Member	Dr. Ravindra	

Agenda:

1. Discussion on college participation in MSME Idea Hackathon 4.0
2. Circular issuance and student outreach on Frontier Technology theme
3. Mentoring plan for idea submission

Discussion & Decisions:

- The committee reviewed the MSME Idea Hackathon 4.0 notification and its Frontier Technology theme, and identified pharma-tech-linked idea areas (e.g., smart drug delivery, manufacturing automation) suitable for students.
- It was decided that a circular be issued to all departments inviting idea submissions before the national deadline (26.09.2024).
- Mr. Manoj Mouli was assigned to conduct a technical orientation session on the Frontier Technology theme.
- Dr. Rashmi NG and Dr. Ravindra were assigned to assist students in idea drafting and portal submission.
- Dr. Vedamurthy Joshi to compile and forward shortlisted student ideas for Host Institute evaluation.

Action Items:

Action	Responsibility	Timeline
Technical orientation session	Mr. Manoj Mouli	17.09.2024
Idea drafting and submission support	Dr. Rashmi NG, Dr. Ravindra	Before 25.09.2024
Compilation of submitted ideas	Dr. Vedamurthy Joshi	27.09.2024

Report on Job Fair, Career Expo & Hackathon 2025 at Krupranidhi college of Pharmacy, Bangalore

Organized by Krupranidhi College of Pharmacy, Bangalore

Date: 2nd September 2025

Venue: Krupranidhi College of Pharmacy, Bangalore

Introduction

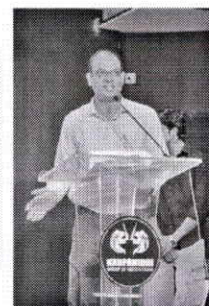

Krupranidhi College of Pharmacy, Bangalore, successfully organized the **Job Fair, Career Expo & Hackathon 2025** on **2nd September 2025**, under the theme *"Revolutionizing Innovation in Pharma & Healthcare"*. The event brought together students, innovators, entrepreneurs, and healthcare professionals to encourage creativity and problem-solving in pharmaceutical sciences and healthcare technology.

The hackathon aimed to foster innovation by providing a platform for young minds to develop, present, and validate their novel ideas in front of experts, investors, and startup incubators.

The Hackathon 2025, organized by Krupranidhi College of Pharmacy, Bangalore, witnessed the participation of 35 students. Our team secured the first place in this prestigious event, making it a moment of great honor and pride for Adichunchanagiri College of Pharmacy.

Congratulations!

Hackathon Highlights

- **Participation Certificate** awarded to all registered teams.
- **Seed funding opportunities** for promising and scalable ideas.
- **One-on-one mentorship** from industry entrepreneurs.
- **Networking sessions** with investors and startup incubators.

Sri Adichunchanagiri College of Pharmacy, B G Nagara

- **Prototype showcase** opportunity to potential partners and stakeholders.
 - **Focus Areas:** Pharma and Healthcare innovations.
-

Participation

The hackathon witnessed enthusiastic participation, with a total of **35 participants** forming multiple teams. Each team was allowed a maximum of 3 members, and students, innovators, and budding entrepreneurs from different institutions took part.

Sri Adichunchanagiri College of Pharmacy, BG Nagara – Participation

From **Sri Adichunchanagiri College of Pharmacy, BG Nagara**, a team consisting of:

- **Mr. Dhanush S.P.- 4TH SEM b Pharm**
- **Mrs. Sowmyashree C.D.**
- **Under the guidance of Dr. Vedamurthy Joshi**

actively participated in the hackathon.

The team presented an innovative idea titled “**BIOEXCIPIA – A Novel Excipient System for Solubility Solutions.**” This idea aimed at addressing one of the critical challenges in pharmaceutical formulation — *solubility enhancement of poorly water-soluble drugs*. The novel excipient system proposed by the team provided a potential solution for improving drug bioavailability and therapeutic effectiveness.

Achievements

The idea of **BIOEXCIPIA** stood out among all competing teams and was highly appreciated by the jury members, mentors, and investors present. After rigorous evaluation and presentations:

- **The team from Sri Adichunchanagiri College of Pharmacy secured the First Position in the Hackathon.**
- Their innovative approach was recognized as one of the most impactful solutions in the area of pharmaceutical excipients and healthcare innovation.
- The victory also opened up avenues for seed funding, mentorship, and potential collaboration with startup incubators.

UNIVERSITY

Sri Adichunchanagiri College of Pharmacy, B G Nagara

Conclusion

The **Hackathon 2025 at Krupanidhi College of Pharmacy** proved to be an inspiring and successful event that encouraged innovation in the fields of **Pharma and Healthcare**. The participation of **Sri Adichunchanagiri College of Pharmacy, BG Nagara** was remarkable, with their idea **BIOEXCIPIA** earning them the **First Prize** among 35 participants.

This achievement not only highlighted the innovative capabilities of the team but also brought pride and recognition to their institution. The event reinforced the importance of collaborative platforms in nurturing ideas that can transform healthcare and pharmaceutical practices in the future.
